

ÖREBRO

Studieplanet (The Study Floor) at Cityakademin Learning Center

Studieplanet is designed to be welcoming, inviting and to stimulate independent learning. It's open for all studying adults in and around Örebro. We're situated in the same building as Örebro City Library, two stairs up. Here you can pursue self studies or study in groups.

Our service hours are Monday–Friday 10.00 a.m.–16.00 p.m. Between these hours we are open for drop in, no need to book appointments in advance! During this time you can get support from teachers.

Students can apply for security passes which give daily access to our premises. You can also apply for your personal student login to our computers, please show ID and Student Card when handing in your application.

As a student, you can book group rooms and computers. Various computer platforms for distance learning are available. Students also have access to a kitchen section with microwave ovens, fridge and coffee machine.

Staff working at Studieplanet are:

Christer, Mathematics and Engineering, 019-21 60 81
Helena W, Speech and Language Pathologist, 019-21 67 73
Aziza, Intermediate Language Service and Mathematics
Helena A, Civics and Swedish, 019-21 60 83
Lisbeth, Swedish and English, 019-21 60 82

There are also four extra staff members working with service at Studieplanet. They're excellent at helping students with all kinds of practical questions.

Welcome to Studieplanet!
